**FREIGHT COSTS** can be quoted once you confirm your order details and delivery address.

**BULK DISCOUNT PRICES** are offered to customers who build a repeat order relationship with us. They are not for one-off sales. To become a Bulk Discount Customer your first order needs to be for 6 or more products that can be a mix of different products. We dispatch your goods once payment is received in full. Bank transfer is the preferred form of payment for bulk orders. If you would like to pay by credit card a 4.5% surcharge will be added to cover the bank fees associated with credit card transactions. (Sorry about that but on a discounted sale we can't lose any of the remaining margin to the bank.)

**RETAIL PRICES** shown above are the prices the Eco Yoga Store charge online. Note our customers also pay a freight charge when buying direct. Due to this you can charge higher retail prices than shown and still be competitive.
